

# BMSP002

| BMSP002 Parts List |                                     |                       |
|--------------------|-------------------------------------|-----------------------|
| NO                 | Part Description                    | Factory Code          |
| 1                  | CHIMNEY OUTLET SHEET                | YSC-KNX.SPO-PN-0010   |
| 2                  | CHIMNEY FLANGE                      | YSC-KNX.SPO-LZ-0048   |
| 3                  | FIBER                               | M.AKS-FBR-SYH-SPO-001 |
| 4                  | FRONT PANEL                         | YSC-KNX.SPO-LZ-0011   |
| 5                  | CHASSIS                             | -                     |
| 6                  | THERMOPILE LIGHTER SET (B6H6D)      | M.GAZ-PLT-PLC-009     |
| 7                  | THERMOPILE                          | M.GAZ-TRL-009         |
| 8                  | BURNER 49 CM                        | M.GAZ-BRL-BRU-004     |
| 9                  | EARN 3/4                            | M.MEK-TES-GLV-007     |
| 10                 | 3/4- 3/4 30 CM GAS FLEX             | M.GAZ-TES-SPR-026     |
| 11                 | GAS FLEX Ø10 MM 210 CM              | M.GAZ-TES-SPR-051     |
| 12                 | ASHESHOLD PULLING                   | ARA-KNX.SPOE-0014     |
| 13                 | DIRT DRAWER                         | ARA-KNX.SPOE-0013     |
| 14                 | OVEN ENTRANCE DOOR                  | YSC-KNX.SPO-LZ-0024   |
| 15                 | KULP                                | M.AKS-KLP-BKL-003     |
| 16                 | GRANITE 1116*400                    | JP.M.TAS-GRN-010      |
| 17                 | INJECTOR M8*0.75 Ø 2.40 MM.         | M.GAZ-ENJ-NG-012      |
| 18                 | SMALL HANDLE                        | M.AKS-KLP-INX-001     |
| 19                 | CLIP INLET                          | JP.M.AKS-KLT-GNL-006  |
| 20                 | DOOR LOCK CLIP                      | JP.M.AKS-KLT-GNL-007  |
| 21                 | FRONT PANEL SHEET                   | YSC-KNX.SPO-LZ-0301   |
| 22                 | PANEL COVER                         | YSC-KNX.SPO-LZ-0298   |
| 23                 | BATTERY LIGHT                       | M.GAZ-CKM-PIL-002     |
| 24                 | AB007-MV 35mbar (1/2 PSI) GAS BLOCK | M.GAZ-BLK-AB007-001   |
| 25                 | GAS THERMOSTAT                      | JP.M.ELK-MEK-TRM1-016 |
| 26                 | BUTTON                              | M.AKS-DGM-EMP-051     |
| 27                 | DEGREES FAHRENHEIT                  | JP.M.ELK-EDM-DGT-015  |
| 28                 | (1-0-2) SWITCH                      | M.ELK-SLT-KRS-003     |
| 29                 | WHEEL WITHOUT BRAKE                 | M.AKS-TKR-PS-001      |
| 30                 | BRAKED WHEEL                        | M.AKS-TKR-PSF-001     |
| 31                 | MOTOR                               | M.ELK-MTR-RMB-009     |
| 32                 | 17*1200 V-RAIL                      | M.MUH-KYS-004         |
| 33                 | 17-300-2V PULLEY                    | M.MUH-KSN-009         |
| 32                 | 17*1200 V-RAIL                      | M.MUH-KYS-004         |
| 33                 | 17-300-2V PULLEY                    | M.MUH-KSN-009         |
| 34                 | 17-60-2V PULLEY                     | M.MUH-KSN-008         |
| 35                 | LOWER BEARING HOUSING               | YTL-KNX.SPO-KS-0004   |
| 36                 | 6208 ZZ 280 BEARING                 | M.RLM-ISI-007         |
| 37                 | UPPER BEARING HOUSING               | YTL-KNX.SPO-KS-0003   |
| 38                 | 6208 ZZ 280 BEARING                 | M.RLM-ISI-007         |
| 39                 | DRUM ADJUSTMENT SHAFT               | YTL-KNX.SPO-KS-0002   |
| 40                 | OVEN STONE                          | M.TAS-FRN-SPO.03-006  |
