BakeMax BMPLS7KE010 2 Burner Electric Hot Plate

The BakeMax BMPLS7KE010 is a commercial electric hot plate with 4000 watts of power. It features two independently controlled burners while also taking up a small width on your countertop. It has two large 9 1/4" diameter cooking surfaces with easy-to-use temperature adjustment from 140°F to 464°F.

Features:

- **Stainless-Steel Construction:** Made entirely of high-quality, hygienic stainless steel that's durable, corrosion-resistant, and easy to clean.
- **NSF & ETL Sanitation Certified:** Meets strict commercial sanitation standards for health and safety compliance.
- **Thermostatic Controls:** Offers precise temperature control from 140°F to 464°F for versatile cooking applications.
- **6-Stage Heat Settings:** Allows consistent and flexible temperature management with six easy-to-use settings.
- **Adjustable Legs:** Heavy-duty 4-inch legs provide sturdy support and can be adjusted for leveling on uneven surfaces.
- **Safety High Limit:** Built-in overheat protection automatically shuts off the unit to ensure operator safety.
- **Field Convertible:** Can be easily converted to single-phase electrical service to suit different installation needs.
- **2-Year Limited Warranty:** Includes parts and labor coverage for added peace of mind.
