

### *Color-Code Your Operations for Improved Safety and Efficiency*

Assign special container colors for ingredients that need to be kept separate, such as allergens or strong aromatics.

### *Smart Product Design*

- Containers and matching lids in blue, orange, purple, and yellow reduce the potential for allergen cross-contact and are instantly recognizable to improve speed of service
- BPA-free Eastman Tritan™ copolyester is scratch-, shatter-, and chemical-resistant over the life of the container
- Built-in, drippless spout improves pourability for reduced mess and waste
- Each container comes with our one-piece Advance lid and is available in 48-ounce (1.4 L) and 32-ounce (0.9 L) capacities (see back for compatibility)
